

Business And Report Writing

Course Description

Successful organisations are ones that communicate effectively.

Business reports and communications should be clear, concise and free of ambiguity.

This course will help you develop business writing skills that convey a targeted message and project a professional image.

The course employs practical business writing techniques to enable you to create compelling and well-structured business documents, memos, emails and reports.

Pre-Course Requirements

You need no previous business writing experience to attend this course.
